

## CONSTRUCTION UPDATES

# New restrictions begin Wednesday night on Meridian Road and westbound I-84

July 22, 2014

Please plan ahead! New lane restrictions will begin Wednesday night (July 23) on I-84 and southbound Meridian Road.

- **Westbound I-84** will be reduced to three lanes between Meridian and Five Mile roads.
- ITD will remove a turn lane for **traffic turning left from southbound Meridian Road** onto Overland Road.

These restrictions will be in place until summer/fall 2015. ITD will briefly re-open the lanes on I-84 during the winter when it is too cold to pave.

## Why close the lanes?

ITD is replacing the Meridian Interchange and improving I-84 between the interchange and Five Mile Road.

- The restrictions on Meridian Road will allow ITD to build a retaining wall and widen the road to three lanes in both directions.
- The restrictions on I-84 will make room for construction equipment, material deliveries and paving.

## Plan ahead

We expect restrictions to cause intermittent delays for traffic. ITD reminds

everyone who is traveling in the area to leave early, slow down and pay attention. All of the construction will be completed by the end of 2015.
